

Pitmaston Primary School **FAMILY Support**

WEEKLY DROP-IN Every **FRIDAY** during term time,

What's it all about?

Family support is about empowering you to find solutions and make positive changes to improve home & family life. Support might be short or long-term, but whatever the reason it will be individually tailored to meet the needs of you and your family

Support could include:

- * Support and advice in establishing routines, implementing age appropriate boundaries and promoting positive behaviour at home.
- * Advice relating to housing and money worries; gaining control of the family budget.
- * Support during difficult periods of change i.e. relationship breakdown, divorce, illness, bereavement.
- * Working alongside families to ensure children attend school every day, and arrive on time: helping parents to engage in their child's education.
- * In consultation with parents individual support for children on a 1:1 basis. This could include areas such as self-esteem and confidence, bullying, emotions, e-safety, a new baby in the family or other significant life events.
- * Support for parents at school and in other agency meetings.
- * Assistance in completing paperwork and forms e.g. housing, benefits.
- * Providing information and signposting to other services in the local area.

Who?

At Pitmaston Primary School we have our very own Family Support Worker, **Kelethe Pusharski**.

when?

Kelethe is in school every **Monday, Tuesday & Friday**.

where?

Kelethe is based in the main **school office**. Pop by for an informal chat or to make an appointment.
