Dear Parents/Carers,

OFSTED HAVE JUDGED US AS 'OUTSTANDING' AGAIN!

It is with great pleasure and pride that I am distributing Pitmaston Primary School's latest Ofsted report from 14th and 15th November 2023 which grades the school as '**Outstanding**' **AGAIN**. The report is on the front page of the website and saved under 'Useful Information' on the Parent App.

The feedback leaders, Governors and the Local Authority received from the Inspectors at the end of the inspection was truly overwhelming, and I am thrilled that our continued drive for excellence has been recognised.

Some of the amazing headlines from the report include:

"This is an exceptional school that is at the heart of its community."

"The school has exceptionally high expectations for all pupils and staff."

"Pupils' behaviour is impeccable. They love school and enjoy attending regularly.....The purposeful and positive relationships between staff and pupils are a joy to observe."

"Staff are nurturing and kind."

"Senior leaders are highly ambitious and aspirational for every pupil. The main driver to realise these ambitions is the school's well-designed curriculum."

"Pupils with SEND are extremely well supported..... Staff are highly skilled at identifying pupils' educational needs, and leaders ensure that pupils get the help they need quickly. All of this means that pupils with SEND overcome their learning barriers, flourish and achieve well."

"The early years provision is outstanding. It is the foundation of the school's exemplary quality of education."

"The school's work to promote pupils' personal development is exceptional. This work includes a plethora of clubs, trips, visits and after-school activities..."

May I thank parents and carers for all your positive comments, accounts of support, meetings and the huge number of you who responded to the parent view and survey, along with the staff, sharing the 'nurturing and kind' culture of our school.

Your wonderful children make our "Outstanding" school the place it is and are truly an asset to yourselves and Pitmaston Primary School.

From myself as the Headteacher, I would like to personally thank the Governing Body and each and every member of our 102 staff workforce. Their determination to succeed, their drive to be "the best," ensures that all our pupils achieve, through the exceptional provision and aspirations that we offer.

Yours sincerely,
A very proud Headteacher
