Dear Parent/Guardian,

Your child has expressed an interest in becoming a Cyber Buddy and they are willing to come our club after school. They were chosen by their class to represent them. The group will run as a club in the first half term while the children are given a chance to learn more about e-safety and creating their cyber buddy profile. After October half term holiday we will meet once a half term during a lunch time.

The School cyber buddies club will give children an opportunity to receive further information about how we can use electronic learning safely. This will give children in the school a class member to talk to if any safety issues arise when they are using computers and technology. The children will work with me to understand how we can ensure E-safety is recognised as an important area of the computing curriculum.

Cyber Buddies club meetings are starting on Thursdays from 3:15pm – 4:00pm beginning next Thursday 21st September. You will need to pick your child up from the office. Please complete the form below to give your child permission to attend the meetings each week. Please remember that there is no on site parking for parents.

Thank you for your support.  
Regards

Mrs Harber
