## Set 3 Sounds

Set 3 sounds are taught once the children are secure with the Set 2 sounds. From the beginning of Year I, all children are exposed to them at least 3 times daily through 'Pinny Time'.

Set 3 sounds are alternative ways to write the Set 2 sounds, with an addition of new 3 letter sounds. It is, therefore, important the children know the Set 2 sounds in order to link the new sounds to ones they already know.

## For example;

Set 2 May I Play = ay

Set 3 Make a cake = a-e

Set 3 Snail in the rain = ai

Year I children are exposed to this during the year in order to support both their reading and writing skills.
