

Pitmaston Primary School Early Help Offer

Sara Bream
Safeguarding at Pitmaston Primary School
Academic Year 2023 - 2024

Pitmaston Primary School Early Help Offer.

"Pitmaston Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment."

Providing Early Help to our children and families at Pitmaston Primary School means we are more effective in promoting support as soon as we can. Early Help means providing support as soon as a problem emerges, at any point in a child's life, beginning with foundation stage.

We endeavour to create a school ethos that promotes trust between all adults and children, so that all children know who they are able to talk to if they have any concerns or worries.

At Pitmaston, we believe that safeguarding is everyone's responsibility. Mrs Sara Bream (Deputy Headteacher) is our Designated Safeguarding Lead. Mrs Kate Wilcock (Head teacher) Mrs Jane Lyons (Assistant Head teacher) Mrs Sue Bladen (School Business Manager) and Mrs Rebecca Williams (Phase 4 Leader) are all Deputy Designated Safeguarding leads. The Governor with responsibility for child protection is Mrs Lynda Townsend. All staff receive annual safeguard training through the DSL, as well as regular updates through continuous professional development. Any new staff receive the full safeguard training, again delivered by the DSL as part of their induction to the school.

The diagram below shows the range of needs at different levels. We use this graduated approach to make sure we provide the best support for different families' individual situations.

Providing early help to our pupils and families at Pitmaston means we are more effective in promoting support as soon as we can. Early Help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to teenage years.

In **Keeping Children Safe in Education 2023** it makes it clear that ALL staff should be aware of their local Early help process and understand their role in it. In addition, this statutory document makes it clear that any child may benefit from Early Help, but all school and college staff should be particularly alert to the potential need for Early Help for a child who:

- Has a disability and / or has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn into anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;

- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;

pupils in the home, as well as within the school environment

- Is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child

Pitmaston's Early Help Offer:

Within school we provide the following Early Help support for all children, striving to ensure concerns, no matter how small, are listened to and supported effectively, maximising the chances of effectively safeguarding all of our children:

✓ Family Support Worker: Kelethe Pusharski is our school Family Support Worker. Kelethe is able to offer targeted support to parents and carers, addressing a variety of concerns or difficulties. Support can be provided through face-to-face meetings, over the telephone and even via email − whatever method suits a parents' circumstances best. Kelethe holds a weekly drop-in session for all parents, where no appointment is needed. Kelethe is also a trained Thrive Practitioner and Course Leader for Family Thrive, delivering the 6-week Family Thrive programme, as well as other one-off workshops. Kelethe is able to provide support for parents and

<u>Please contact Kelethe through the school office if you feel she can be of help to you and your child.</u> (01905 423710)

- ✓ **Community Domestic Abuse Hub:** We are a Domestic Abuse hub, and have a dedicated Domestic Abuse phone line intended to supporting victims, both present and past, of Domestic Abuse. We recognise the detrimental impact that Domestic Abuse has, not only on the primary victim, but on the children growing up in an environment where Domestic Abuse is prevalent. Our dedicated phone line enables victims to share their situation with a Domestic Abuse Champion, who can then help develop a collaborative support network around the victim.
- ✓ Play Therapist: Frances Donohue is in school two days a week (Thursday and Friday), working with individual children identified as needing a high level of support, running a programme which is personalised to meet the need of every individual. This programme continues until significant progress has been made or other resources have been provided where appropriate. Francis spends Friday afternoon doing group therapy work.

✓ Educational Psychologist: Dr Jane Yeomans is in school on a regular basis, working with children as part of our Inclusion Team. She uses her knowledge of child development to assess difficulties children may be having with learning and offering recommendations and support.

✓ School Counsellor: Our school counsellor, Debbie Grice-Griffin, is in school every Tuesday, working with children identified as needing support to cope with social and emotional difficulties.

✓ CAMHs CAST: We work closely with this professional body which is a service that sits within Worcestershire CAMHS (Child and Adolescent Mental Health Services). They work directly with young

people experiencing or at risk of experiencing mental health difficulties. The service offers consultation, advice, support and training which can be specifically tailored to suit the professional seeking the service.

- ✓ **School Nurse:** We work closely with our school nurse, who is able to provide advice and guidance to parents on a variety of health and wellbeing issues. She visits school regularly to meet with the DSL and meets with parents, carers and children as and when required.
- ✓ Speech and Language Support: We recognise that Communication is both a vital and complex skill that develops gradually over time from the moment a child is born. It is important that children develop a firm foundation of earlier skills such as listening and playing so that they can successfully develop later skills such as using tricky sounds and spelling. At Pitmaston, we have implemented the 'Teaching Children to Listen,' programme across the whole school. The team work collaboratively with our reception and preschool team, in order to identify, asses, and support children from when they first enter school. Our two Speech and Language therapists, Amy Straughan and Charlotte Deykin attend school every other Wednesday to train staff, assess pupils and work with pupils on a 1:1 basis.
- ✓ Mental Health First Aid Trainers: We have 10 key staff who have all received the Mental Health First Aid training, supporting staff to spot signs and symptoms of common mental health issues, provide non-judgmental support and reassurance, and guide the young person or adult to seek professional support they may need to recover.

- ✓ Links with our Community Social Workers and other support agencies including the Educational Health services: In addition to the above professionals, we also work closely with our Area Safeguarding Officer, Hayley Doyle.
- ✓ Attendance: Every child whose attendance is below 90% are carefully monitored and support offered wherever possible, utilising the skills of the Family Support Worker where appropriate. Formal attendance meetings are held and improvements recognised. Our school operates a first day response system. Where attendance does not improve, the

✓ **Prevent Trained Staff:** All of the DSL team has received the PREVENT training, disseminating this information to ALL staff and ensuring they are all able to identify the early stages of radicalisation and what to do. This is part of the induction process for new staff.

support of the Education Welfare Service might be sought in order to further support our families.

- ✓ **Child Criminal Exploitation:** All staff have been trained through the whole school safeguard training delivered annually, and are able to identify early indicators of potential cases of child criminal exploitation. All DSLs undertake annual GET SAFE training.
- ✓ **Female Genital Mutilation (FGM):** All staff receive annual training on FGM. Teachers know how to identify if a child may be at risk. They are aware of the countries and places within this country where children may be taken to for this to happen. They know the signs to look for and most importantly how to refer, following the schools safeguarding procedures.
- ✓ **PSHE and Relationships and Sex Education Programme**: Our school delivers Personal, Social, Health and Economics, (PSHE) and Relationship and Sex Education (RSE) programmes through JIGSAW. This programme further support the children's understanding of how to keep themselves safe. It also

broadens their understanding of strategies to develop their resilience, as well as their awareness of their mental health and approaches to keep this aspect of their lives healthy.

✓ Online safety: Each year group is taught 6 units of online safety lessons throughout the year, linking directly with areas of computing they are working on. We have run presentations led by the NSPCC and O2 to support both children and parents to develop a greater awareness of the dangers they face online each day, as well as strategies to keep themselves safe. Regular hints and tips to protect children online,

relating to specific areas of interest for children such as Fortnite and Tik-Tok are shared via the weekly newsletters. Our Online Safety lead, Rachel Harber, also runs workshops and shares hints and tips for parents, as well as leading on a whole school Internet Safety Day. Pitmaston use the 360Safe online audit tool to ensure we are

providing the highest level of practice in terms of online safety. This is reviewed annually.

- ✓ Nurture facilities: Nurture rooms within school provide a safe environment for children to share any concerns in private and within a safe, welcoming environment. The Nurture Team are available to support all children with social, emotional and mental health needs.
- ✓ Thrive School: All of our staff receive Thrive training and we are a Thrive Ambassador school. Thrive is a therapeutic approach to help support children with their emotional and social development. We screen every child through the Thrive programme three times a year to enable us to target those who need support. The Thrive approach provides staff with action plans for the children's individual needs. Research has shown

that how we behave is linked to how we feel and our emotions are linked to how we learn. By teaching children to recognise and notice these feelings and emotions it can help with their development and learning. Thrive promotes their emotional and

social growth by building positive relationships between a child and their peers and helps them explore and understand their feelings through various activities. Our fully trained practitioners are: Mrs Lyons, Mrs Cameron, Mrs Williams, Mrs Taylor, Mrs Aram and Mrs Pusharski.

- ✓ Mental Health and Wellbeing Therapeutic Practitioners: Mrs Taylor and Mrs Williams are our school Mental Health & Wellbeing Therapeutic Practitioners. They run a range of interventions within school, as part of our Personalised and Emotional Mental Health Support (PEMS), including a Lunch Hub for those children experiencing a range of social and emotional needs.
- ✓ Trauma Informed Schools: Mrs S Bream and Mrs J Lyons have both completed a Level 5 Diploma in Trauma and Mental Health Informed Schools and Communities (Practitioner Status). K Wilcock and S Bladen have undertaken the two-day training, showing the level of importance and impact we feel as a Senior Leadership Team, this informed approach to supporting our pupils can have. In June 2022 we were awarded the Mentally Healthy Schools Award from Trauma Informed Schools (TIS).

✓ Inclusion Quality Mark: In recognition of our exemplary inclusive practice, Pitmaston has been awarded the 'Centre of Excellence' School award and 'Flagship' status. We recognise the range of needs children can have and with the support of our Inclusion Team, ensure that we meet the individual, learning needs of all our pupils through our excellent teaching and learning, providing differentiated work and a personalised approach.

- ✓ **Relax Kids:** A small intervention group run weekly by Charlotte Denham, to support identified children to become more resilient and teach them tools to manage their physical, emotional and mental health and wellbeing.
- ✓ **Dogs as Therapy:** Our school Pets as Therapy dog visits us once a week and works with children who might be reluctant to read or have higher levels of anxiety. Through the interaction with the Pets as Therapy dog, we can often help our children to become less stressed, less self-conscious and more confident in their own reading abilities.
- ✓ Let's Talk boxes: As a resource for children to be able to share any concerns and worries, our school has a set of strategically placed 'Let's Talk boxes,' where children can record their concerns, safe in the knowledge that one of the Nurture Team will respond within 24 hours.
- ✓ **Calm boxes:** every classroom, from preschool to year 6, has a 'Calm Box' in the classroom, containing sensory objects to help children regulate. Children can access these as and when needed.
- ✓ Extra-Curricular Clubs: Extra-curricular clubs are offered to all children to encourage a healthy lifestyle, relationship building, physical activity and sports, social development skills and enhancement of the curriculum. Every class teacher runs an after school club for at least 6 weeks, ensuring we continue to provide a broad range of additional activities for children to enjoy.

We also liaise with other agencies and people within the local community.

Please find below details for some national organisations that can support children, young people and their families:

The Front Door to Children's Services	If a member of staff, parent/carer or member of the public thinks a child or young person is at immediate risk of significant harm they should contact the Family Front Door (FFD) – 01905 822 666 or in an emergency always call 999.
(Previously: Children's Helpdesk).	Do not wait to discuss this with the DSL/DDSL but do report it afterwards.
WSCB	http://www.worcestershire.gov.uk/safeguardingchildren
(Worcestershire	Important information for parents and professionals across Worcestershire in relation to keeping
Safeguarding	children safe and avenues of support including early help options. Everyone should know how to
Children's	access this website which has all of the agreed Worcestershire safeguarding and child protection
Board) website.	processes on it.
Early Help in	https://www.worcestershire.gov.uk/earlyhelpfamilysupport
Worcestershire	Early help means providing help and support to a child, young person or their family as soon as it is
	identified they need additional help and support. This could be at any point in a child or young
	person's life for example in pregnancy right the way through to their eighteenth birthday. This can
	be help and support on more than one occasion as we know children's needs change as they grow

	and develop, there is challenges in their communities and their family circumstances and situations
	can change too.
Universal source of help for all families in Worcestershire: Worcestershire Family Information Service (FIS)	Worcestershire Family Information Service (FIS) advisors give impartial information on childcare , finances , parenting and education . FIS are a useful source of information for parents and professionals. They support families, children and young people aged 0-19 years of age (25 for young people with additional needs) and professionals working with these families. They can help link parents up with other organisations that might be able to help or provide the information themselves. http://www.worcestershire.gov.uk/info/20507/childcare/1579/family_information_service
Home-school support Worcestershire Home Education Network	Home education is becoming an increasingly popular option for families in Worcestershire and we have a growing community that are able to offer each other support. Between us we have years of experience in educating children of all ages and are able to organise and put on a range of activities. We hold meetings usually at least weekly, throughout term time at various locations round the county-for example:
	- Social gatherings occur monthly in North Worcestershire for all ages, with both indoor and outdoor games plus organised activities such as climbing/zip-wires/grass sledging for 8+.
	 Monthly meeting in Worcester with games, music and crafts for all ages. Monthly social meeting in south Worcestershire, including indoor and outdoor games, group music session and a drama group.
	- Bowling or Ice skating most months.
	- "Education group" workshops organised regularly. Recent workshops have include: Marvellous Mosaics' 'Gunpowder plot' 'Medieval life', 'Making Music' and 'Creative Writing.
	We also meet up with people from neighbouring counties and many of us go along to the national camps and gatherings that are organised by home educators throughout the year.
	We have a Worcestershire Home Educators Newsletter (WHEN) that lists all of the activities for the coming month and run a Worcestershire Home Educators Internet support list.
	Contact us on: <u>info@worcestershire-home-educators.co.uk</u>
Online Safety	Online Activity (phones, computers) can be a serious risk to children: The use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation – technology often provides the platform that facilitates harm. With the right support, education and safety measures in place the internet and new technologies can also bring great benefits but we must all be vigilant Place (parents against child exploitation) UK is a useful website to engage parents with safety issues. www.paceuk.info/
	This is the Child Exploitation and Online Protection (CEOP) Centre. It's a one stop shop for most information about online safety. https://www.thinkuknow.co.uk/teachers
	(excellent resources) Thttp://educateagainsthate.com/ - This is the government website to help parents and professionals understand the risks of children and young people being radicalised by

Hate Crime

A hate crime is a criminal offense whose motivation can be shown to be race, national origin, religion or sexual orientation. A difference of race alone is NOT sufficient to make it a hate crime. There would have to be evidence of racial slurs or racial statements in addition to the crime (this does not trivialise other serious offenses that are NOT hate crimes).

Children with disabilities team (CWD)

The Children with Disabilities (CwD) Social Work Team provide services designed to meet the needs of children and young people who have complex disabilities.

The CwD Social Work Team is one of a range of services that can provide support to children and young people with disabilities and their families. Other services available are those provided by health, education, play and youth services as well as community resources provided by voluntary agencies.

The CwD team offer services to those children and young people requiring additional resources in respect of their disability, where the disability has a profound impact on the child or young person's life.

An assessment will be offered where the child has a condition which is substantial, long lasting or permanent, is a physical and/or learning disability or a life limiting, life threatening condition. These may include:

- severe learning disabilities
- severe physical disabilities
- severe developmental delay in motor and or cognitive functioning
- profound multiple disabilities
- severe sensory impairment (registered blind and/or profoundly deaf)
- complex and severe health problems that arise from the disability, that are life threatening, degenerative illness or organic disorder resulting in severe disability
- a diagnosis of Autistic Spectrum Condition with an associated learning disability and where the condition severely affects day to day functioning

Child Criminal Exploitation (County Lines)

Here is some guidance for frontline professionals on dealing with county lines, part of the government's approach to ending gang violence and exploitation:

https://www.gov.uk/government/publications/criminal-exploitation-of-children-and-vulnerable-adults-county-lines

Children who are trafficked, exploited or coerced into committing crimes are victims in need of safeguarding and support. Though perceptions are altering these young people are still often criminalised and perceived as having 'made a choice' to take part in illegal activity. https://www.catch-22.org.uk/child-criminal-exploitation/

Child Sexual Exploitation (CSE)

West Midlands Safeguarding Children Procedures has a page dedicated to <u>Child Sexual Exploitation</u>. It provides information about child sexual exploitation, the roles and responsibilities of relevant agencies and the procedures practitioners should follow to ensure the safety and wellbeing of children and young people whom it is suspected have been sexually exploited or are at risk of sexual exploitation.

Key facts about CSE

- It affects both girls and boys and can happen in all communities.
- Any young person can be targeted but there are some particularly vulnerable groups: Looked After Children, Children Leaving Care and Children with Disabilities.
- Victims of CSE may also be trafficked (locally, nationally and internationally).
- Over 70% of adults involved in prostitution were sexually exploited as children or teenagers.
- Sexual violence or abuse against children represents a major public health and social welfare problem within UK society, affecting 16% of children under 16. That is approximately 2 million children.

Honour based violence (HBV)

Honour' based violence (HBV) occurs when perpetrators believe a relative or other individual has shamed or damaged a family's or community's 'honour' or reputation (known in some communities as izzat), and that the only way to redeem the damaged 'honour' is to punish and/or kill the individual. 'Honour' based violence is a term that is widely used to describe this sort of abuse however it is often referred to as **so called 'honour' based violence** because the concept of 'honour' is used by perpetrators to make excuses for their abuse. There is a very strong link between 'honour' based violence, forced marriage and domestic abuse. The term 'Honour Based Violence' is the internationally recognised term describing cultural justifications for violence and abuse. Honour Based Violence cuts across all cultures and communities: Turkish, Kurdish, Afghani, South Asian, African, Middle Eastern, South and Eastern European for example. This is not an exhaustive list. Where a culture is heavily male dominated, HBV may exist. The police have made it a high priority

	to help communities fight back to tackle both honour based violence and hate crime. The 'Honour Network Help line': 0800 5 999 247
Female genital mutilation (FGM)	Female Genital Mutilation (FGM) comprises all procedures involving partial or total removal or the external female genitalia. FGM is illegal in the UK and as of October 2015 mandatory reporting commenced. If education staff or other professionals discovers that an act FGM appears to have been carried out on a girl under 18 years old there is a statutory (legal) duty on teachers for them PERSONALLY to report it to the police.
	Read http://www.nhs.uk/Conditions/female-genitalmutilation for NHS information and signs of FGM. 	Let's talk about it is an excellent website for parents: www.ltai.info/ as is
	www.preventtragedies.co.uk
	While it remains very rare for school age children to become involved in extremist activity to the point of committing criminal acts, young people can be exposed to extremist influences or prejudiced views, including via the internet, from an early age. As with other forms of criminality or risk of harm, early intervention is always preferable. Schools, working with other local partners, families and communities, can help support pupils who may be vulnerable as part of wider safeguarding responsibilities.

	prison/
Children and the	Children are sometimes required to give evidence in courts, either for crimes committed against
court system	them or for crimes they have witnessed. There are two guides to support these children which can
court system	be found at www.gov.uk (young witness booklet for 5 to 11 year olds) which is a pdf. There is also
	a document called "going to court and being a witness age 12 to 17" which is also found at
	www.gov.uk. Making family arrangements via court can be stressful and entrench conflict in
	families. The ministry of Justice has just launched an online dispute resolution service. This can be
	useful to parents and carers. Got to www.gov.uk and search for "get help with arrangements."
Stalking	General Advice:

- If it doesn't feel right it probably isn't!
- Seek support from trusted family/friends
- Report to the police and do this early
- Keep a diary in a secure location
- Screenshot emails etc and save them
- Photograph/video your stalker if safely possible.
- Get advice: Hollie Gazzard Trust, Paladin etc...
- Tighten security; home, work and on-line
