

# Pitmaston's Science Ambassador's Charter

We want our science lessons to be fun, exciting, and purposeful

## So, we promise to...

- Share our passion and enthusiasm for science
- Help children see why science is an important subject and how it will help shape our future
- Share fascinating facts & experiment ideas on the newsletter
- Keep the Phiz Lab tidy and resourced to help our teachers
- Do our best to answer any questions to do with science
- Do 'Learning Walks' with Mrs Chrimes to check displays are up to date every half term
- Conduct pupil voice to find out how we can improve our science learning further
