Year 3 Stone Age Adventure at Bishop's Wood

Year 3 had an amazing day stepping back in time during their Stone Age trip to Bishop's Wood! The children impressed the instructors with their fantastic knowledge, confidently retrieving and sharing what they had learnt in their History lessons about Stone Age life. The children got hands-on with a range of Stone Age activities, including learning how to light a fire, weave walls and make nets. They then put their survival skills to the test as they moved camp and worked together to build their own shelters. It was fantastic to see the children using their knowledge, teamwork and problem-solving skills throughout the day. They represented our school brilliantly and showed just how much they have learnt about the Stone Age!

What a fabulous end to the week! We are so proud of the children in 5H, who performed their class assembly today, all about Mighty Mountains. Superb singing, fantastic recital of their lines and brilliant, comedic acting skills shown, all of which link perfectly with the Oracy skills we've been working on in our lessons in the classroom. Thank you to all the children for working so hard to learn their lines and deliver a wonderful performance. Well done 5H, you were AMAZING!

This campaign is promoted by the National Literacy Trust across the UK, encouraging people of all ages to drop everything and read for 10 minutes at 10am on 10 October for World Mental Health Day.

Why? Life is busy and it isn't always easy to find time for yourself.

Reading can help you relax, boost your mood and find connection – and you don't have to read a book. You could escape into the post-match analysis of Saturday's football game, an interview with your favourite actor, DIY hacks or even recipes. Reading something that interests you can transport you away from day-to-day life.

In the National Year of Reading, the message is simple: whatever you're into, take 10 to read into it.

National Year of Reading 2020

On Thursday, Erica, Billy, Hugo and Carla from 4S performed Eye of the Tiger to 2S as part of our music lesson. We really enjoyed listening to them and noticed that the recorder makes a high pitch sound.

Halloween Disco Friday 23rd October
5.15-6.15 and 6.30-7.30.
Tickets on sale Tuesday 13th October at
8pm

This week our amazing Year 4 recorder players performed Eye Of The Tiger to our Year 2 children. This was an exciting way for our Year 2s to develop their music listening skills as well as our Year 4 music performing. The year 2s listened and compared this version to the rock band version, thinking about the instruments and pitch.

Year 6 had a wonderful trip to the Hive on Monday. We had the opportunity to look at lots of different genres of book and design a book cover. We also had a tour of the Hive where we learned about sustainability and it was fascinating to learn that the Hive actually utilizes water from the nearby River Severn for natural cooling systems! We also discovered that there are 250,000 books in the Hive. In our third workshop, we got to use microscopes to look closely at our hands, clothes and equipment. It was really interesting to see our fingerprints and hair follicles up close. We couldn't believe all of the opportunities that are available when you visit the library!

We're delighted to share that 434 children became Attendance HEROs in September! For our new parents, our Attendance HERO incentive is one of the ways we celebrate and encourage excellent attendance in school. Each month, every child who achieves 100% attendance is recognised as an Attendance HERO and receives a much-coveted HERO postcard and sticker! We know that illness and other unavoidable circumstances can sometimes mean children need to be absent from school. That's why we celebrate attendance every month. Across the school year, every child has 11 opportunities to earn their Attendance HERO status. A huge well done to all of our September HEROs – and a big thank you to parents and carers for helping your HERO get to school, ready to learn, on time each day. Now for the challenge... can we beat 434 Attendance HEROs in October? We can't wait to find out!
