PITMASTON POST

Communication

5S wowed their audience with a fantastic performance of Mighty Mountains! The children impressed everyone with their creativity, confidence and sense of humour, bringing the topic to life in a fun and engaging way. The enjoyable songs were performed brilliantly and had everyone smiling. Well done, 5S!

Back in the spring, the children planted a variety of seeds in our Pre-School garden. After months of sunshine, watering and lots of care, we were very excited to harvest our vegetables this week! The children were delighted to discover the produce we had grown, including carrots, pumpkins, tomatoes and potatoes. It was a fantastic opportunity for the children to see how their hard work and patience had paid off, while learning about how plants grow and where our food comes from.

Ten Pin Bowling

On Tuesday, 6 of our KS2 pupils attended a Ten Pin Bowling event with other local schools, as part of the Worcestershire School Games. The children showed off their impressive aiming skills and great sportsmanship by cheering each other on. Their behaviour was also commented on as being exemplary. Well done team Pitmaston!

Thank you all for your generous donations to our Harvest collection. We have been told the weight was 405kg! I think this years was the biggest yet! Laura, Steve and Grahame from the Worcester Food Bank came into school to talk to the children about the work that they do to support our whole community. The Head Pupils then did a great job delivering the donations to the food bank and once the work was done they were treated to a tour of the facilities to see just how much work goes into making sure everyone is supported!

6W and 2W were very pleased to do their first Reading Buddies session of the year on Monday. They got to know each other and learned something that they both had in common and they thoroughly enjoyed sharing stories together.

Reception had an excellent start to the week with their Early Careers Day! We all dressed up to share with our class what we would like to be when we grow older. We have been learning all about jobs in our community in our Theme lessons and it was wonderful to see so many careers on show. A big thank you to all the parents who provided such fantastic costumes!

The Malvern Storytelling Festival welcomed some of our Year 5 and 6 pupils for a wonderful day immersed in stories. We began our trip with a talk by the author, Christopher Edge, who told us all about his new fiction book entitled, "How to Steal the Future". Audience participation and a sharp mind were necessary as pupils had to solve a variety of challenges in the same way as the book's protagonist and readers have to puzzle their way through the novel. Pitmaston was proudly represented by George, Maisy and Dalya, who used their teamwork, determination and logical thinking skills to beat the laser challenge and were rewarded with special author bookmarks. Our second delight of the day was the theatre and puppet show, Dr. Doolittle, where we sang along with the many characters, including a talking chimp as well as a pirate who became a Geography teacher. Finally, the brilliant storyteller, Daniel Morden, transported his enthusiastic audience into a world of two brothers and their jealousy, using sound effects and actions together with his spooky bell to bring his captivating Dark Tale to life. Inspired, the children even suggested alternative endings- authors in the making! A selection of children in Year 2 also had the opportunity to visit the festival on Thursday and had an equally wonderful time. The festival continues this weekend, for families to enjoy.
