PITMASTON POST

This week in Preschool we have been teaching the children how to draw circles as it is the first shape they need to master as a pre- writing skill. Every afternoon this week we have carried out fun dotty/ spotty activities from drawing round circle stencils/ printing with circle objects/ cutting out circles and filling circle templates with objects. Preschool also enjoyed having their first Art lesson this week. Our artist of the term is Kandinsky and this fitted in nicely with our circle theme. Look at the wonderful Kandinsky circle art the children created to hang proudly at home.

Nasal Flu vaccinations.

We have been informed that the date of our whole school flu vaccination event is Tuesday 6th October 2026. Parents will be contacted directly by Vaccination UK for consent for your child to receive this via email through a secure NHS system called MAVIS.

PHOTO DAY

**Pitmaston
Primary School**

**Monday 2nd
November 2026**

Year 3 have been inspired by the book *The Day the Crayons Quit* and have stepped into the crayons' shoes to write their very own letters! This week, we published our final letters and addressed them to Duncan. The children have worked incredibly hard to include all of the writing skills they have been learning, as well as taking great care with their joined handwriting. We are so proud of the finished letters! 🖋️
