# PITMASTON POST

## CITIZENSHIP

Year 3 had a fantastic trip to The Hive on Monday, where they enjoyed exploring the library and taking part in an exciting 'Book Blitz'. During this activity, the children browsed a wide range of books, reading blurbs and deciding which ones they would like to read. They also had the chance to get creative by designing their own books. Everyone had a wonderful time, and many are already looking forward to visiting again soon!

Pre-School : Thursday 21<sup>st</sup> May at 2pm

Year 6: Tuesday 19<sup>th</sup> May at 9.15am

If your child could wear a T Shirt matching their house colour on this day that would be great! This does not apply to Pre-School.

Harper Harris in 3BG demonstrated an incredible act of kindness recently, cutting inches off her own hair in order to support The Little Princess Trust. This charity provides real hair wigs free of charge to children and young people up to the age of 24, who have lost their own hair due to cancer treatment and other conditions. This generous act of kindness will support more children in need. Well done Harper, we are really proud of you and we all love your new hairstyle!

Some lucky children enjoyed reading in the Library to Maggie, our Pets as Therapy dog, this afternoon who is brought into school each Friday to see the children by Sue. These children enjoy practising their reading with Maggie who always listens attentively but never passes comment! We love our visits from Maggie!

This week, 3T performed "Spring Thing" in assembly after practising it with their class choir. They put on a fantastic performance and confidently projected their voices. It was a real feel-good song, and the harmonies added an extra special touch which sounded fantastic!
