# PITMASTON POST

CONFIDENCE

## Celebrating Diversity and Equality at Pitmaston

We enjoyed a super Equality Day which was celebrated with some funky head gear and lots of beautiful artwork today . Children and staff showed their uniqueness by wearing all kinds of colourful creations. A big well done to our Equality Champions who arranged the day and introduced some interesting talking points in a video which was shown in classes. Teachers also shared some lovely stories centring around Equality.

This week the cricket teams from Years 4, 5 and 6 went to Worcester County Cricket ground at New Road to take part in the school tournaments County finals. It was a very busy day with matches against many schools. The Year 5 team batted and fielded well and came 4<sup>th</sup> in their year group competition. The Year 6 team showed great teamwork, supported each other well and came 2<sup>nd</sup> winning a silver medal. The Year 4 team played fantastically, showed great sportsmanship and were 1<sup>st</sup> in their year group winning a gold medal each and a trophy for the school.

## Pitmaston Annual Careers Fair

Every year this special event is held for our oldest pupils in school to inspire them and widen their knowledge of the different types of careers there are out in the world of work, that they can aspire to do when they are older. The children got to put their interview skills into practice when they met a whole variety of employers from various careers from Aerospace Engineer, Vets, a Financial adviser, a digital graphic designer, Nurses, a Physiotherapist, Police officers, a Catering Manager the list goes on. The children were armed with a list of questions which they confidently asked our exhibitors to find out what their career entails, what skills are needed for that job role and most importantly how important all STEM subjects are to working in a variety of different careers. A great time was had by all and the children left feeling inspired and motivated to start to think about what career they want when they grow up and how to go about achieving it. A big thank you to all of our Pitmaston parents, members of our local community and other supporters who couldn't attend but sent in valuable work related activities for the children to do. With your continued support the children got to experience another fantastic careers fair. If you would like to support our future careers fair next year, or be willing to visit our other year groups to talk about your career and inspire more of our pupils then please contact me at

Miss Price  
Careers lead

After two cancelled rainy Sports Days, Year 6 seized the opportunity a couple week ago to take part in running, skipping, jumping, throwing and kicking activities over the course of the afternoon. Super supportive team work was on show and the Sports Captains did an excellent job both taking part and keeping everything running smoothly. After totalling up the points this year the winning house was .....Davison!

On Monday 15<sup>th</sup> June, our formidable netballers played another challenging match against Nunnery Wood Primary School. Despite the heat and the fact they had come straight from their sports day in school, the girls gave it their all, securing another victory with a final score of 6-9 to Pitmaston. A special mention goes to Ranya who was awarded player of the match by the opposition for her continuous attacking skills and her ability to find space on court at all times.

Well done girls – what a great season you are all having. Miss Widdett and Mrs Bream
