School chefs from across County schools celebrated graduating from the Chefs in Schools course in June with our very own Kelly Ratcliffe as part of the group. The course was designed to highlight the vital role school food plays in children's health and well being . The changes Kelly has already made to the menu's has been really well received by the children with lots of hidden veggies included!

Congratulations to 5T for being the KS2 attendance winners. We hope you enjoyed celebrating by watching a film and enjoying an ice lolly! The biggest well done for your commitment to your attendance this year.

Last Friday the 3BG group, celebrated all their learning in Year 3 in their Celebration Assembly. They sang songs from the Big Sing, they played Hot Cross Buns and Eye of the Tiger on their recorders and

shared some of their amazing artwork. They performed loudly and clearly with confidence and we are very proud of them! Well done Year 3.

A special thank you to Vinnie, who has diligently litter picked throughout the whole year to ensure that our school remains clean and tidy, inspiring and motivating others to show the same passion and enthusiasm for our environment. In recognition of his efforts, Vinnie was awarded with his own personalised litter picker and a head teacher's award from Mrs Wilcock. Well done Vinnie.

The rest of Year 5 were finally able to visit Boughton Lawn Tennis club this week, after having to reschedule due to heavy rain then scorching heat. The children were in awe of the incredible setting, playing on full sized courts and learning and developing their skills. A huge thank you to the coaches at Boughton for being so giving of their time. We had a great morning of tennis.
