

Welcome
to 5D !
**Mrs Davey-Over,
Mrs Phillips & Mrs
Atkinson**

Dear 4J (future 5D),

I am so excited to be teaching you in September! It was great to meet you all during transition week and I have been hearing from other staff in school about what motivated, creative and resilient learners you all are. I'm really looking forward to getting to know you all better, along with Mrs Phillips and Mrs Atkinson. We are looking forward to sharing all the enjoyable activities we have planned for next year. It will be a year full of fun and hard work. I know that we are going to have a wonderful year together!

We have a lot of exciting things in store this year, including lots of new topics. I'm particularly looking forward to, 'Ancient Greeks', 'Earth and Space', and 'The Victorians' as well as learning more about the famous artists, such as Salvador Dali and William Morris in our Art lessons, which I'm sure you will also enjoy. I am excited to see you develop your love of learning, reading and creativity this year, and I will be supporting you to reach your goals as your class teacher. I expect you to be very dedicated and hard-working in Year 5 and you should look forward to working together as a team with laughter and challenges along the way.

I hope you all have a wonderful Summer and spend lots of quality time with your friends and loved ones. Make sure you take time to relax and enjoy being outside. I am looking forward to spending time with my family, enjoying relaxing on the sofa watching my favourite films, going out for walks in the countryside and playing lots of fun games. I am also looking forward to my holiday to the Lake District. Some of my hobbies include arts and crafts, stand up paddle boarding and theatre.

I look forward to hearing about all the lovely things you get up to during your time away from school, when we return in September.

Wishing you a fun, relaxing and well deserved break.

From Mrs Davey-Over
