

Miss Brewis, Mrs Spence & Mrs Graham

Mrs Williams, Phase Leader

Hello RW (soon to be 1B!),

I can't wait for September and I hope you're as excited as I am to start Year 1! I am so happy we were able to spend some time together this week, I feel very lucky to have you all in my class next year, especially now that we all know each other's names and faces! I've had so much fun teaching you, reading books with you and getting to know all about you this week. I particularly enjoyed creating our belonging tree display- you've all done such an amazing job at helping to make our classroom special for September.

I have had lots of conversations with Mrs Keating who has told me all about how special each of you are and what a wonderful class you're going to be. I am so happy I will be getting to know you even better in September.

It is nearly time for the summer holidays. I'm sure you're all going to have a fantastic summer and get up to lots of exciting things. Perhaps you might like to send a postcard to school over the holidays if you would like to share your summer adventures when we see each other again in September! I will be going away to Croatia with my family, finding some pretty seashells at the beach and hoping for lots of lovely weather so I can go on some nice dog walks in the sunshine.

Mrs Spence, Mrs Graham and I have so many exciting things planned for you next year and we can't wait to welcome you into Year 1!

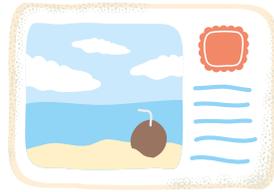

I hope you have a lovely summer and I can't wait to hear all about it in September.

See you soon.

Miss Brewis

July 2025

Dear Class RW soon to be 1B,

It was wonderful to meet you and start getting to know you this week. I am looking forward to being your teacher in September and have already started planning some exciting lessons ready for the start of term. I have written you a postcard so that you can learn more about me and have included a photograph so that you will remember what I look like over the holiday.

If any of you would like to send a postcard into school for us to share with the class when we return in September, then I would love to receive a postcard telling us somewhere you visited.

Over the summer holidays you will probably want to gather equipment ready for the start of term. If so, I would like to let you know about the things you will need and those that you will not.

All your belongings need to come to school in your blue book bag (no rucksacks please). We will provide all the pencils and crayons you need so you don't need a pencil case. Your reading diary needs to come to school every day with your reading book being slotted inside it, so the grownups in school can read with you easily in your lessons. Your named water bottle needs to be in school every day and on hotter days you need a sun hat to give you some protection. Please keep all toys and precious things at home to make sure they don't get lost or damaged.

In Year 1 you will need to be able to do up your own coat, eat your lunch using a knife and fork and recognise your own name on books and belongings.

Our PE days will be shared with you via the Parent App closer to the return in September. On PE days please come to school wearing a white Pitmaston logo polo shirt, black shorts (navy or black joggers or leggings in colder months), trainers and a navy Pitmaston logo jumper/cardigan not hoodies. Please make sure all your belongings are named!

See you in September,

Miss Brewis
