

The Maya Civilisation iPad Challenges – Year 6

Can you use Safari to find out about the Maya Civilisation?

- Who were the Mayans and where were they from?
- What were the Mayans famous for?
- What were the Mayan's religious beliefs?

Use Google Maps to locate:

- The major cities in Mexico
- Chichen Itza
- Yucatán Peninsula
- Copán Ruins.
- Tikal Ruins

Use Popplet to create a mind map of your new knowledge about our Mayan topic.

Use Kahoot to create your own quiz to test your classmates (or family) on their Maya Civilisation knowledge!

Use Pic Collage to create a collage of Brazil images linked to:

- Famous Maya sites and landmarks
- Mayan architecture
- Mayan artifacts

Use Keynote to create an exciting slide show presentation about an area of Mayan life:

- The Mayan belief system
- The Mayan number system
- The Mayan codices and writing system
- Mayan cooking
- Mayan clothing
- The end of the Mayan era

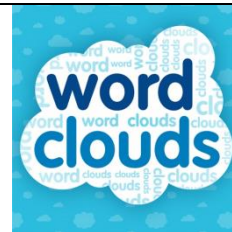

Can you use iMovie to create a movie about an aspect of Mayan life?

(remember you could use still images from the internet and add text, as well as creating your own using the camera tool)

Can you use Scratch to create your own Maya inspired game?

Can you create your own word cloud of key vocabulary about the Maya Civilisation?
